All students will be required to pass both a written and oral examination.**

- Change in Program Policies

### **SECTION VI: Justification**

*Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)*

**We do not have enough faculty to create supplementary graduate courses to support two options for the MA in French. Also, all of our graduate students finish the program in two years, thus exhausting all of our courses that we have to offer.**

### **SECTION VII: Catalog Text and Format**

*In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.*

**Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:**

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

**For minors, state requirements in terms of hours, required courses, electives, etc.**

**For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.**

**For Law School program/units, prepare text consistent with current catalog style.**

**For centers, prepare text consistent with current catalog style.**

**Current Catalog Copy:**

Requirements for the Master of Arts Degree in French: Candidates for the Master of Arts Degree in French shall opt for one of two areas of concentration:

Option A: French Studies Concentration. Minimum of 36 hours required, 18 of which should be in literature courses approved by the graduate advisor. This option is considered a terminal one for the degree.

Option B: Literature Concentration. Candidates for this option must fulfill the 36 hour requirement of Option A and must complete 12 additional hours of literature courses approved by the graduate adviser, 6 of which must be 600V for presentation of a master's thesis. Candidates holding teaching assistantships may have their assistantships renewed for a third year. Any course substitutions must be approved by the French graduate adviser.

**Revised Catalog Copy:**

**Requirements for the Master of Arts Degree in French:** Aside from deficiencies, a minimum of 36 semester hours is required for the degree. Each MA candidate will submit a list of their course work to the graduate adviser before taking the comprehensive exam, which is comprised of a written and an oral exam. The content of the MA exam covers course work and the reading list. All course selections must be approved by the graduate advisor.
