Indicated curriculum changes to the GHES major, were requested and approved prior to, and separate from, the effort to bring the degree program into Act 747 compliance. Restructured credit hours to include 6 credit hours of Health Science/Technical Education; thus, reducing the elective credit hours from 37-40 to 30-36. Changes are due to the deletion of courses from other majors (Interior Design) as well as the changing of HLSC to CHLP. Changing of course names were due to the changes made in Dietetics (HESC 1213, 2112/2111L, & 2203). HESC 1603 (Introduction to Hospitality) was added to the HESC core to provide a hospitality educational experience that was not previously offered to students. CATE 4803 has been added as the housing component in place of the deleted HESC 4813 course. To be compliant with Act 747, 4 hours of elective credit were removed from the 8-semester plan to reflect that the overall number of credit hours required should be 120.
