6 D09 HP 00075 Bell (PI) 7/1/2000-6/30/2003 DHHS – HRSA

An FNP and NEd Project for Arkansas

The goal of this project is to meet the state's priority health care needs through the education of Family Nurse Practitioners and nurse educators prepared to care for minority and disadvantaged populations and educate the nursing workforce. Role: Faculty (formerly Project Director)

1 D11 HP 00090 Hodges (Co-PI) 9/1/1999 – 8/31/04 DHHS – HRSA
Arkansas Web-Based Rural BSN Completion Program

The goal of this project is to significantly increase the enrollment of RNs in 4 rural Area Health Education Center Service regions and the number of rural RNs employed by the Arkansas Department of Public Health.
Role: Co-Investigator

2 D24 Nu00423 Lewis (PI) 7/1/97 – 6/30/00 DHHS – HRSA

A Family Nurse Practitioner Program for Arkansas

The goal of the project was to increase enrollment in the current Family Nurse Practitioner program. Role: Faculty

Perceptions of Critical Thinking: An Online Discourse-through Teaching Scholars 4 project. Focused Ethnography. 2000-2001

Collaborative Approach To Patient Safety (CAPS) – UAMS College of Nursing Practice Department Grant application. Role: Co-author 2001

Development of a protocol for patients suffering multiple rib fractures – pilot study and review of the literature.

Role: Independent researcher, 1999-current

Protocol is patented through UAMS, Little Rock, AR.

“Pulmonary/Cardiac Rehabilitation in Rural Southeast Kansas” grant proposal for equipment submitted to Sisters of Mercy Regional Health Foundation – funded, \$10,000.00 - 1998

EDUCATION

Université de Montréal, Canada

- **PhD, Public Health with specialization in HealthCare Management.** May 2008
- **Masters of Science, Economics with dual specialization in Economic Evaluation Projects and International Economics.** May 2000
- **Bachelor of Science, Economics.** May 1997

SELECTED TRAININGS

- **Grant Writers' Seminars and Workshops, LLC and the University of Cincinnati:** Writing successful career development proposals: Tips and Strategies, 2011.
- **Ohio Colleges of Medicine Government Resource Center:** Training in the Longitudinal Health Plan Administrative Data for Comparative Effectiveness Research, 2009
- **The Interuniversity Consortium for Political and Social Research (ICPSR), University of North Carolina:** Growth Curve Models, 2006.
- **Harvard School of Public Health:** The Public Health Disparities Geocoding Project training course, 2005.
- **Sigma Xi, the Scientific Research Society, and the Grantsmanship Center:** The Grantsmanship Training Program, 2005.
- **Center for Spatially Integrated Social Sciences and University of California:** Introduction to Spatial Pattern Analysis in a GIS Environment, 2004.
- **MacMaster University and University of York:** Advanced methods in the Economic Evaluations of Medicine, 2003
- **ICPSR, University of Michigan:** Structural Equation Modeling, and Advanced Longitudinal Data Analysis, 2003.
- **Harvard School of Public Health and Karolinska Institutet, Summer School on Modern Methods in Biostatistics and Epidemiology:** Health outcomes research, Longitudinal Data Analysis, Categorical Data Analysis, Survival Analysis, 2003.
- **Quebec Inter-university Centre for Social Statistics (QICSS):** Statistical Analysis of Panel Data, Public Policies Evaluations using propensity scores, Advanced Survival Analysis, 2003.
- **Université de Montréal:** Health Projects Administration, 1999.

TEACHING AND RESEARCH EXPERIENCE

Research Associate

Child Policy Research Center, Cincinnati Children's Hospital Medical Center July 2009-June 2011

- Perform epidemiological and statistical analyses in the conduct of health services and policy research.
- Conduct searches for funding opportunities and collaborate in the development and review of grant proposals; oversee the implementation of study protocols.
- Develop research projects: collaborate with faculty and project staff to develop clearly defined outcomes and projects objectives; design studies and project methods in collaboration with faculty and project staff; conduct background literature searches to facilitate protocol development; conduct validation studies of measurement tools.
- Managing and analyzing secondary datasets: collaborate with faculty on the design and conduct of data analyses; merge and recode datasets as needed to conduct analyses.
- Design, build and maintain data collection and entry tools for specific studies.
- Draft review and prepare articles to disseminate research findings.
- Providing consultation to faculty.

Instructor

Quebec Inter-university Centre for Social Statistics, Université de Montréal Summer 2006

- Responsible for teaching a graduate course in Structural Equation Modeling.

Teaching Assistant

Quebec Inter-university Centre for Social Statistics, Canada Summer 2004

- Assisted in teaching Structural Equation Modeling graduate course.

Researcher

Quebec Inter-university Centre for Social Statistics- Statistics Canada 2002-2005

- Performed secondary longitudinal data analysis using the Canadian Population Health Surveys to examine Social disparities in smoking practices (doctoral project)

Researcher

Quebec Agency for Health Services and Technology Assessment, Canada 2001-2002

- Synthesized the recommendations of the Health Technology Assessment (HTA) reports
- Assessed the impact of research (research output, implementation, and dissemination)

Researcher

Interdisciplinary Health Research Group, Canada 2000-2001

- Economic evaluation of an ambulatory care center (Le Centre Hospitalier Ambulatoire Regional de Laval)

Economic Journalist

Group Croissance SA, Haiti 1997-1998

- Wrote newspaper articles economic articles in the weekly magazine, *La Lettre de Conjoncture* covering: politics, economic and other social issues.

ADMINISTRATIVE EXPERIENCE

Health Care Manager

Neurological Care Clinic, Clermont, FL 2004-2009

- Managing the clinical, and financial operations of the practice
- Overseeing personnel, training staff in healthcare quality, patient safety, and risk management.

COMMUNITY SERVICE

Centre d'action Sida Montreal-femmes, Canada

Summer 2002

Volunteering: participated in support groups for Women with HIV/AIDS

PRESENTATIONS

-
- Longitudinal Analysis of Cigarette smoking in Canada: Gender, Social Class, and Price: 46th Congress of Canadian Economic Society.
 - Social Classes and Smoking in Canada. The Canadian Association for the Promotion of Science (ACFAS)
 - Public Health and Ethical Issues Forum in Bioethics, Université de Montréal.

 - From *Habitus* to habit : understanding smoking status through Bourdieu's perspectives of class (*in progress*)
 - A longitudinal analysis of cigarette smoking in Canada. (*in progress*)
 - Understand smoking practices in Canada: An integrative psycho-ecosocial model. (*in progress*)
 - Reviewing health technology assessment of PET SCAN in seven countries: when does evidence become conclusive? (*in progress*)

ACADEMIC AWARDS AND RESEARCH SUPPORT

-
- Faculty of Graduate Studies, Université de Montréal PhD research project, 2006-2007
 - Quebec Inter-university Centre for Social Statistics PhD research project, 2002
 - Canadian Ministry of Training, Colleges, & Universities, PhD research project, 2000-2002
 - Canadian International Development Agency, full tuition scholarship and stipend, M.Sc. 1998-2000
 - Canadian Ministry of Training, Colleges, & Universities, BSc, 1995-1997

COMPUTER SOFTWARE SKILLS

-
- **STATISTICS:** SAS (Enterprise Guide), STATA, SPSS, LISREL, SPAD, some knowledge of MPLUS and ARCGIS
 - **MICROSOFT OFFICE:** Word, Excel, Powerpoint, Microsoft Project, Microsoft Publisher
 - **BIBLIOGRAPHIC CITATIONS:** Endnote.
 - **ACCOUNTING SOFTWARE:** QuickBooks.

PROFESSIONAL SOCIETIES

-
- American College of Healthcare Executives
 - The International Health Economics Association
 - The International Society for Pharmaco-economics and Outcomes Research
 - American Board of Quality Assurance and Utilization Review Physicians (ABQAURP).
