SECTION IV: Eliminate an Existing Program/Unit

Code/Name _____ Effective Catalog Year _____

No new students admitted to program after Term: ____ Year: _____
 Allow students in program to complete under this program until Term: ____ Year: _____

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made:

1. All references to 124 degree credit hours changed to 120.
2. Inserting STAT 2303 as an acceptable higher-level math course for the JOUR major.

3. Making it clear that students who take a cultural/diversity-approved HIST course can “double-dip” and allow that to satisfy both the upper-level HIST requirement and the cultural/diversity requirement.

4. Removing the reference of JOUR 405V Special Journalism Seminar and replacing with courses that have been recently developed and have their own, unique catalog numbers. Including language that if a cultural/diversity-approved JOUR course is taken to fulfill the cultural/diversity requirement, it can also be used to meet a JOUR elective requirement in one of the JOUR sequences.

5. The senior writing requirement will now be fulfilled by the completion of JOUR 4981. Specifically requiring this course adds one credit hour to the hours required by the major.

6. Four hours of electives are being removed from each JOUR 8-semester sequence to bring the overall number of required hours down to 120.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean’s office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean’s office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except “Proposed Name” in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except “Proposed Name” in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except “Proposed Name” in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1. All references to 124 degree credit hours changed to 120 as required by the Act 747 mandate.

2. Inserting STAT 2303 as an acceptable higher-level math course for the JOUR major. Knowledge of statistics would be beneficial to journalism students in their future journalistic careers, and therefore should be included in the list of higher-level math courses which satisfy the major's requirement.

3. Making it clear that students who take a cultural/diversity-approved HIST course can “double-dip” and allow that to satisfy both the upper-level HIST requirement and the cultural/diversity requirement. The department needed to insert this language for clarity, and consistency in interpretation.

4. Removing the reference of JOUR 405V Special Journalism Seminar and replacing with courses that have been recently developed and have their own, unique catalog numbers. Including language that if a cultural/diversity-approved JOUR course is taken to fulfill the cultural/diversity requirement, it can also be used to meet a JOUR elective requirement in one of the JOUR sequences. JOUR 405V is no longer needed after the formal creation of the JOUR 3263 African Americans in Film and JOUR 4923 History of the Black Press.

5. The senior writing requirement will now be fulfilled by the completion of JOUR 4981. Specifically requiring this course adds one credit hour to the hours required by the major. Historically, students registered for JOUR 498V, and under the supervision of a JOUR faculty member, developed a paper suitable to fulfill the department's senior writing requirement. But the course was never specifically required in the department's major requirements. JOUR 498V has been converted to JOUR 4981 and will now be a specifically required course for all majors to formalize the department's oversight of the senior writing requirement.

6. Four hours of electives are being removed from each JOUR 8-semester sequence to bring the overall number of required hours down to 120.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.

- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Combined Major in English and Journalism: All university students must fulfill the minimum University/state core requirements (see page 41). A minimum of 84-85 hours in non-journalism courses must be applied toward the [124-120](#) hours required by the college for a Bachelor of Arts degree. Bolded courses from the list below may be counted toward some part of the University/state minimum core requirements, as applicable.

3 – **MATH 2033 Mathematical Thought, MATH 2043 Survey of Calculus, MATH 2053 Finite Mathematics,** ~~or~~ **MATH 2183 Mathematical Reasoning, STAT 2303 Principles of Statistics,** or higher level math

3-6 – **Intermediate I (course number 2003)** of a world language. The number of credit hours taken to complete this level of proficiency depends on placement level in the language course sequence. Elementary Language courses numbered 1003 generally do not count toward the [124-120](#) minimum credit hours required for graduation. Consult page 129 under college admission requirements for details.

3 – **WLIT 1113 World Literature I, or WLIT 1123 World Literature II,** or an advanced literature course, or a language literature course;

3 – **PHIL 2003 Intro to Philosophy or PHIL 2103 Intro to Ethics** or any philosophy course at the 3000-level or higher (recommended: PHIL 3103 Ethics and the Professions);

6 – **PLSC 2003 American National Government** and a second PLSC course (recommended courses include: PLSC 2813 Intro to International Relations, PLSC 3233 The American Congress, and PLSC 4233 The American Chief Executive);

3-6 – **ECON 2143 Basic Economics: Theory and Practice.** A combination of **ECON 2013 Principles of Macroeconomics** and **ECON 2023 Principles of Microeconomics** will be allowed in place of ECON 2143;

3 – COMM 1313 Public Speaking;

3 – 3000-4000 level HIST course*;

3 – Cultural/Diversity Requirement: 3 hours of cultural/diversity studies to be selected from the following or as approved by the Lemke Department of Journalism:

ANTH 4533 Middle East Cultures

COMM 4343 Intercultural Communication

*HIST 3233 African American History to 1877

*HIST 3243 African American History Since 1877

*HIST 3263 History of the American Indian

*A cultural/diversity-approved HIST course is allowed to also satisfy the major's 3000-4000 level HIST course requirement.

**JOUR 3263 African Americans in Film

**JOUR 4923 History of the Black Press

**A cultural/diversity-approved JOUR course is also allowed to satisfy a JOUR elective.

JOUR 405V Special Journalism Seminar—cultural/diversity-related topics as approved by the department

SCWK 3193 Human Diversity and Social Work

SOCI 3193 Race, Class and Gender in America (SOCI 2013 prerequisite)

Other cultural/diversity-related topics as approved by the Department of Journalism

The journalism requirement may be satisfied by 24 semester hours of courses, including JOUR 1023, JOUR 1033, and JOUR 3633. The remaining hours are filled from the following options.

Those wishing to emphasize Public Affairs Reporting can choose from either print or broadcast news:

Print News: JOUR 2013, JOUR 3013, JOUR 3023, JOUR 4043, and one additional journalism course.

Broadcast News: JOUR 2032/2031L, JOUR 3072/3071L, JOUR 4863, and JOUR 4873, and one additional journalism course.

The English requirements for this combined major are as follows: 24 hours of English courses (not counting ENGL 0003, ENGL 1013, ENGL 1023, and ENGL 2003) to include any nine hours of survey courses (chosen from ENGL 2303, ENGL 2313, ENGL 2323, ENGL 2343, and ENGL 2353), and 15 additional hours chosen from English courses numbered above 3000 and WLIT courses above 2333.

In addition, students are strongly recommended to complete up through the 2013 Intermediate II level of a world language.

Writing Requirement: All upper division English courses require a research or an analytical paper except ENGL 4003 and the courses in creative writing (ENGL 3013, ENGL 4013, ENGL 4023, ENGL 4073). For this reason, all students who fulfill the requirements for the combined major in Journalism and English thereby fulfill the Fulbright College writing requirement.

Assessment Requirement: Every senior English major must take the program assessment exam administered by the department each spring semester to graduate. Exam results will not affect GPA, although the student's score will be noted on his or her permanent academic record. This requirement may be waived in extraordinary circumstances by the department's Director of Undergraduate Studies. Contact your adviser for more information.
