## SECTION VI: Justification

*Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)*

**Students who complete the 16 hours of Honors Roots Culture coursework (HUMN 1114, HUMN 1124, HUMN 2114, HUMN 2124) complete a substantial amount of work in the humanities that meets, if not exceeds, the spirit of the Humanities Colloquium course required of all 4-year Fulbright honors students. In the BS, BFA and BM 4-year honor degree requirements, students pursuing Option 2 have the choice of completing the 4<sup>th</sup> course in the H2P sequence (HUMN 2124) or a Humanities Colloquium course. For those that complete HUMN 2124, the Humanities Colloquium course requirement is waived. For the BA students, this is the same (although, HUMN 2124 is specifically required in Option 2). The catalog copy needed to reflect this.**

## SECTION VII: Catalog Text and Format

*In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.*

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)

- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

**For minors, state requirements in terms of hours, required courses, electives, etc.**

**For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.**

**For Law School program/units, prepare text consistent with current catalog style.**
