Insert here a statement of the exact changes to be made: Reorganizing the Option 2 humanities/colloquium requirement to make it more clear. Removing the courses ECON 2013 and ECON 2023 (non-honors) from the list of courses that may satisfy the BM 4-year Honors Social Science requirement. Inserting the Social Science colloquium requirement for the BM, which appears to be missing from the current catalog text.

Check if either of these boxes apply and provide the necessary signature:

☐ Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

☐ Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

☐ Change of Name and Code (Complete only sections I, II, V and VII.)

☐ Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

☐ Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

☐ Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

☐ Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The option of completing HUMN 2124 or an Honors Colloquium in Humanities is indicated to make the Humanities Colloquium requirement parallel to the other degree programs. The Humanities Colloquium is waived for students who complete the fourth course in the H2P sequence (HUMN 2124).

Social Science requirement: the list of classes from which to choose a Social Science requirement are all honors courses with the exception of the option to take both ECON 2013 and ECON 2023 (non-honors). At one time, ECON 2013 & ECON 2023 were allowed in place of a single honors-level social science course, because honors offerings of the ECON classes were not regularly offered. Today, ECON 2013 and 2023 are regularly offered as honors courses. Students pursuing a bachelor of music are required to complete fewer honors classes compared to the number required for the B.A. and the B.S. 4-year honors programs; therefore, it is important that the social science requirement be fulfilled by honors-level coursework.

All 4-year honors students are required to complete an honors colloquium in social sciences, and this appears to be missing from the Bachelor of Music degree honors catalog requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.
