

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Required by ACT 747 to reduce the total number of hours in the CHLPBS Degree Program from 124-120 credits.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Community Health Promotion (CHLP) Catalog of Studies 2012-13 with 124 credits required

- Professor Jones (C.)
- Associate Professors Hammig, Henry
- Assistant Professor Jozkowski
- Visiting Assistant Professors Mink, Rausch, Wyandt-Heibert

The program in community health promotion is designed to prepare candidates for a variety of career options in the vast field of community health promotion. Career opportunities may include planning, development, and delivery of health programs in various settings. These settings may include hospitals, government agencies, nonprofit organizations, community organizations, corporations, and other places of occupation. Graduates of this program should be well prepared to enter the work force at an entry-level position in community health or graduate programs of study in such areas as health education and health promotion, corporate health, public health, health care administration, and other allied health professional schools.

The candidate for the Bachelor of Science in Education degree with a major in community health promotion will focus on community health. All students must complete the University Core requirements as listed under [University Core Courses](#). In addition, all students must take the courses listed below under required general studies for the community health promotion major and the additional community health promotion major requirements. A minimum of 124 semester hours is required for graduation in the major of community health promotion.

Curriculum for a Major in Community Health Promotion

University Minimum Core (State Minimum Core) (See [University Core](#))

Hours

35

English (6-9 hours)

ENGL 1013 Composition I

ENGL 1023 Composition II

Mathematics (3 hours)

MATH 1203 College Algebra, equivalent or higher

Science (8 hours)

BIOL 1543/1541L Principles of Biology

*CHEM 1103/1101L University Chemistry I and Lab or CHEM 1123/1121L University Chemistry II and Lab or CHEM 1073/1071L Fundamentals of Chemistry and Lab

Fine Arts/Humanities (6 hours)

See [University Core](#) for listing of approved courses

U.S. History/Government (3 hours)

HIST 2003 History of American People to 1877 or HIST 2013 History of American People 1877 to Present or PLSC 2003

American National Government

Social Sciences (9 hours)

PSYC 2003 General Psychology

SOCI 2013 General Sociology

3 hour Social Science core elective

Required general studies for the Community Health Promotion Major

10

Literature Elective (3 hours)

COMM 1313 Public Speaking

CHLP 1103 Personal Health and Safety

PEAC 1621 Fitness Concepts

Community Health Promotion Major Requirements

79
