Insert here a statement of the exact changes to be made: The proposed changes are to comply with ACT 747 and also makes slight alterations in course requirements that correspond to changes proposed by the Walton College of Business (WCOB). The proposed changes allow students to take ACCT 2013 instead of WCOB 1023, as the latter course will no longer be offered by the WCOB.

Check if either of these boxes apply and provide the necessary signature:
Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:
Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:
Check all the boxes that apply and complete the required sections of the form:
☐ Change of Name and Code (Complete only sections I, II, V and VII.) ☐ Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section
IV.) Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
☐ Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.) ☐ Change in Program Policies
SECTION VI: Justification
Instify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)
These program changes are to comply with ACT 747 and to update the Agribusiness curriculum to reflect recent changes in
the Walton College of Business.

in the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the
University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program,
give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.
Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:
State complete major/program name
Briefly define or describe the major/program or discipline.
Identify typical career goals or paths for graduates. (Optional)
 State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
 Identify location in catalog of university, college/school, and department/program requirements which the student must meet in
addition to hours in the major, but do not restate these requirements.
 State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements. State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
Identify name and requirements for each concentration (if any).
• Specify whether a minor or other program component is allowed or required and provide details.
State eight-semester plan requirements
For minors, state requirements in terms of hours, required courses, electives, etc.
For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.
For Law School program/units, prepare text consistent with current catalog style.
For centers, prepare text consistent with current catalog style.

	3/3 Program	Mike 11/5/1	2 1:59 PM
	Exceptional students in the Pre-Law concentration may enroll in the Law School in their fourth year provided that the following	Deleted: 12-	4
	requirements have been met:		
	1. completed all University, college, and department core requirements for the pre-law concentration;		
	2. completed 12 hours in the specialization list for pre-law;		
	3. attained a cumulative grade-point average in all college or University course work of at least 3.50 without grade renewal; 4. attained a LSAT score of at least 159.		
	A student who has satisfied these requirements may substitute law school course work for the remaining total hours required for the		
	bachelor's degree in agricultural business. It is a requirement of the Law School's accrediting standards that no student		
	be admitted to Law School until they have completed at least three-fourths of the work necessary for the baccalaureate degree. The		
	requirements embodied in the 3/3 program satisfy this requirement.
