SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The changes to the Elementary Education program are being made in response to the Arkansas Department of Education's changes in teacher licensure from a PreKindergarten-4th grade license to Kindergarten-6th grade license. In making the changes, program faculty consulted ADE's required course competencies, the content addressed in the new Praxis exams students must pass to obtain licensure, various national standards documents, and the Common Core State Standards. The exact changes were detailed above in Section V and below in Section VII.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The Department of Curriculum and Instruction offers programs that prepare candidates for initial teacher licensure in Childhood Education. The B.S.E. degree in Childhood Education is not an initial teacher licensure program but instead leads to the Master of Arts in Teaching (M.A.T.), which is the initial teacher licensure preparation program. Information about the M.A.T. degree program can be found in the University of Arkansas ***Graduate Catalog***.

Admission to the B.S.E. in Childhood Education is competitive and consists of a three-stage process; simply meeting the minimum requirements will not guarantee admission to the program. Admission will be determined by the Childhood Education faculty based on the 5 items listed below in Stage II.

Stage I: Pre-Childhood Education (PCHED)

1. ~~Complete all program pre-requisites including the first 62 or 63 hours of the 8-semester plan (see 8-semester table below)~~
2. ~~Obtain a minimum of 3.0 GPA on UA coursework.~~
3. ~~Complete the following courses with a "C" or better: COMM 1313, MATH 1203 or equivalent, ENGL 1013, and ENGL 1023.~~
4. ~~Obtain a passing score on the Math, Reading, and Writing sections of the Praxis I.~~
5. ~~Complete a background check.~~

~~Stage II: Admission to the Childhood Education Program (CHED)~~

~~Admission to the Childhood Education Program is competitive and occurs after completion of all Pre-Childhood Education requirements and prior to the beginning of the fall semester of the junior year. Not all applicants meeting the minimum requirements will be admitted to the program. Applications to the Childhood Education (CHED) program must be submitted by January 30. At this point applicants must decide which program option they will follow; either CHED B.S.E. leading to M.A.T. option or ELLB B.S.E. licensure option. Both of these options are described on the application, which can be found on the [College of Education and Health Professions website](#).~~

~~The application process includes:~~

- ~~1. Submission of Childhood Education application.~~
- ~~2. Submission of transcripts for all coursework.~~
- ~~3. Oral Interview.~~
- ~~4. Submission of Writing Sample.~~
- ~~5. Submission of passing score on Math, Reading, and Writing sections of Praxis I Exam.~~
- ~~6. Current background check~~

~~Stage III: Requirements for Program Continuation.~~

- ~~1. Declaration of endorsement area of ESL, SPED, Grades 5/6, or STEM.~~
- ~~2. Maintain a cumulative GPA of 3.0.~~
- ~~3. All non methods math, science, social studies and HESC courses as well as [CIED 3003/CIED 3001](#), [CIED 3023](#), [CIED 3033](#), and [CIED 3263](#) must be completed prior to senior year.~~

~~The Masters of Arts in Teaching (M.A.T.) is the degree that leads to initial teacher licensure. This is a graduate program and applicants must meet the admission requirements of the Graduate School. Applicants must have completed all requirements for the B.S.E. by the end of spring semester to be considered for admission into the M.A.T., which is a year long field based degree that starts during the summer prior to the regular fall-spring academic year.~~

~~M.A.T. candidates will be advised by faculty advisers.~~

~~Admission requirements:~~

- ~~1. Admission to the University of Arkansas Graduate School.~~
- ~~2. Submission of M.A.T. Application.~~
- ~~3. Cumulative GPA of 3.0 on the last 60 hours of coursework. Including any transfer work or grade forgiveness.~~
- ~~4. Passing score on Praxis II, Early Childhood: Content Knowledge (10022).~~
- ~~5. Passing score on M.A.T. entrance portfolio.~~
- ~~6. Successful interview with M.A.T. admission committee.~~
- ~~7. Submission of a current background check.~~

~~NOTE: Requirements for teacher licensure vary from state to state and may differ from teacher preparation programs. Please note that Arkansas requires all applicants to successfully complete a criminal background check. See more about the [Arkansas Teacher Licensure requirements](#).~~

~~NOTE: All professional education courses in CIED must have a grade of "C" or better. No teaching methods courses may be taken as self-paced (correspondence) courses. [CIED 3103](#), [CIED 3113](#), [CIED 3123](#), and [CIED 4153](#) are offered in the fall only. [CIED 3133](#), [CIED 3143](#), [CIED 4101](#), and [CIED 4113](#), are offered in the spring semester only.~~

NOTE: Enrollment in the M.A.T. with an emphasis in childhood education is limited. A passing score on the appropriate Praxis test is a requirement to begin the M.A.T. A passing score on an additional Praxis test is a requirement to graduate from the M.A.T. (Students must consult with their advisers to determine the appropriate Praxis exams to take for admission and graduation.) Other specific application procedures and selection criteria are available in the Department of Curriculum and Instruction, 214 Peabody Hall or from childhood education faculty advisers.

The Department of Curriculum and Instruction offers programs that prepare candidates for initial teacher licensure in Elementary Education (K-6). The B.S.E. degree in Childhood Education is not an initial teacher licensure program but instead leads to the Master of Arts in Teaching (M.A.T.), which is the initial teacher licensure preparation program. Information about the M.A.T. degree program can be found in the University of Arkansas *Graduate Catalog*.

Admission to the B.S.E. in Childhood Education is competitive and consists of a three-stage process; simply meeting the minimum requirements will not guarantee admission to the program. Admission will be determined by the Childhood Education faculty based on the 7 items listed below in Stage II.

Stage I: Pre-Childhood Education (PCHED)

1. Complete all program pre-requisites including the first 63 hours of the 8-semester plan (see 8-semester table below)
2. Obtain a GPA of 3.0 or better on UA coursework.
3. Complete all program courses with a "C" or better
4. Obtain a passing score on the Math, Reading, and Writing sections of Praxis Core.
5. Complete a background check.

Stage II: Admission to the Childhood Education Program (CHED)

Admission to the Childhood Education Program is competitive and occurs after completion of all Pre-Childhood Education requirements and prior to the beginning of the fall semester of the junior year. Not all applicants meeting the minimum requirements will be admitted to the program. Applications to the Childhood Education (CHED) program must be submitted by January 30. At this point applicants must decide which program option they will follow; either CHED B.S.E. leading to M.A.T. option or ELEL B.S.E. licensure option. Both of these options are described on the application, which can be found on the [College of Education and Health Professions website](#).

The application process includes:

1. Submission of the application to teacher education through the university-wide Teacher Education Office.
2. Submission of Childhood Education application.
3. Submission of transcripts for all coursework.
4. Oral Interview.
5. Submission of Writing Sample.
6. Submission of passing score on Math, Reading, and Writing sections of the Praxis Core Exam.
7. Current background check

Stage III: Requirements for Program Continuation.

1. Declaration of endorsement area of ESL, STEM, GT, or Reading.
2. Maintain a cumulative GPA of 3.0 or better.
3. Passing score on Praxis II, Elementary Education: Multiple Subjects.
4. All non-methods math, science, social studies and English language arts courses must be completed prior to senior year.

Master of Arts in Teaching (M.A.T.)

The Masters of Arts in Teaching (M.A.T.) is the degree that leads to initial teacher licensure. This is a graduate program and applicants must meet the admission requirements of the Graduate School. Applicants must have completed all requirements for the B.S.E. by the end of spring semester to be considered for admission into the M.A.T., which is a year-long field-based degree that starts during the summer prior to the regular fall-spring academic year.

M.A.T. candidates will be advised by faculty advisers.

Admission requirements:

1. Admission to the University of Arkansas Graduate School including GRE requirement.
2. Submission of M.A.T. Application.
3. Cumulative GPA of 3.0 or better on the last 60 hours of coursework. Including any transfer work or grade forgiveness.
4. Successful teaching audition.
5. Submission of letters of recommendation.
6. Earn CPR card.
7. Maintain a current background check.

NOTE: Requirements for teacher licensure vary from state to state and may differ from teacher preparation programs. Please note that Arkansas requires all applicants to successfully complete a criminal background check. See more about the [Arkansas Teacher Licensure requirements](#).

NOTE: All program courses must have a grade of "C" or better. No teaching methods courses may be taken as self-paced (correspondence) courses.
