Fulbright College of Arts and Sciences has initiated a new B.A. in Interdisciplinary Studies where in one option a student can select three minors to meet the requirement of a major. The Department of Communication has offered several of its courses in the on-line delivery format and seeks to be included as an option for the Interdisciplinary Studies, BA.

The proposed online offering of the minor in communication (in addition to the on campus offering) will provide opportunities to develop knowledge and skills in communication studies through our online course offerings (we will continue to offer the face-to-face sections and will offer additional existing courses in the online format as resources will allow). An online minor will afford access to students who wish to enhance their education and communication skills in preparation for the workplace.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate.
