

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Change the current general education elective requirements for Walton College students. In the previous curriculum which required 16 hours of General Education Electives, many students utilized these hours to pursue a minor in the Fulbright College (15-21 hours). Upon development of courses such as WCOB 3043, Books to Boardroom and FINN 1003, Your Money and Credit, the Undergraduate Programs Committee recommended exceptions to incorporate these courses into the General Education Elective category. As other courses emerge that may not necessarily be viable junior/senior elective credit, the Walton College has agreed to allow up to six total hours of business courses to meet requirements in this category..

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

All B.S.B.A. students are required to complete 12 hours of General Education electives which require non-business courses. Previously, AACSB limited the amount of hours that could be completed in the business to expose students to non-business courses. In our previous curriculum which required 16 hours of General Education Electives, many students utilized these hours to pursue a minor in the Fulbright College (15-21 hours). Upon development of courses such as WCOB 3043, Books to Boardroom and FINN 1003, Your Money and Credit, the Undergraduate Programs Committee recommended exceptions to incorporate these courses into the General Education Elective category. As other courses emerge that may not necessarily be viable junior/senior elective credit, the Walton College has agreed to allow up to six total hours of business courses to meet requirements in this category.
