change:

Program Status

No new students admitted after: **Summer 2017**

Allow students in program to complete through: **Spring 2020**

Number of students still enrolled: **121**

Courses Deleted as a result of this action:

How will students in the deleted program be accommodated? **Students will be allowed to continue under their current degree program until they graduate. They will also have the option of transition to the new proposed major. No new students will be admitted under this degree plan. No courses will be deleted and courses will be offered on the same schedule as planned under the current structure of the program.**

How will funds from the deleted program be reallocated? **The program is being developed into a two majors. The same courses are being offered on the same planned schedule. It is not expected that this change will impact the budget and no funds are needed for reallocation.**

Description and justification of the request:	<p>Reason for deletion: The current degree program consists of one major with three concentrations (Birth through Kindergarten, Child Development, and Lifespan). Because the course requirements for teacher licensure are extensive, the concentration became too differentiated from the other concentrations to comply with policy about credit hour limits for concentrations. For that reason, the major is being reconfigured to offer two majors (Birth through Kindergarten and Human Development and Family Sciences).</p>
Program reviewer comments	<p>agriffin (09/16/16 2:56 pm): Inserted approval dates and renamed LON to match naming convention for BOT documentation.</p> <p>lkulcza (09/16/16 5:24 pm): Updated "no new students admitted after" information---also attached updated LON to correspond with this change.</p> <p>agriffin (09/28/16 2:07 pm): After consulting with LK, I am reattaching the revised LON.</p> <p>agriffin (10/19/16 3:16 pm): Merged all deletions of concentrations into one LON 5, with approval from college. Uploaded revised copies.</p>
