Program Goals and Objectives: NA

Description and justification of the request: Reason for deletion: The current degree program consists of one major with three concentrations (Birth through Kindergarten, Child Development, and Lifespan). Because the course requirements for teacher licensure are extensive, the concentration became too differentiated from the other concentrations to comply with policy about credit hour limits for concentrations. For that reason, the major is being reconfigured to offer two majors (Birth through Kindergarten and Human Development and Family Sciences).

Program reviewer comments: **agriffin (09/16/16 3:00 pm):** Changed response under Academic Unit and stated that program was deleting the LSPN concentration.

**agriffin (09/16/16 3:14 pm):** Inserted approval dates and changed name of LON to match naming convention for BOT documentation. I also changed the response to item 13 to match the same information submitted with LON 5 for CDEV concentration.

**lkulcza (09/16/16 5:26 pm):** Updated "no new students admitted after" date and attached updated LON to reflect this change.

**agriffin (09/28/16 2:08 pm):** After consulting with LK, I am reattaching the AG revised version of the LON.

**agriffin (10/19/16 3:21 pm):** Merged all deletions of concentrations into one LON 5, with approval from college. Uploaded revised copies.
