Description and
justification of the
request:

Historically, we have always intended SPAN 3113 to be taken by our Spanish minor students, and many years ago it was virtually required, because by pre-requisite sequencing, students had to have it to be able to take any upper-level electives. Now, we have many new course options at the 3000- and 4000-level that do not necessarily require 3113 as a prerequisite, and we realize that many students are completing the regular SPAN-M without taking SPAN 3113. We wish to correct that.

We are also listing SPAN 3123 as an option so that students may complete either SPAN

3103 Cultural Readings or SPAN 3123 Spanish for Heritage Speakers II. we wish to give students an option between the currently required SPAN 3103 Cultural Readings and SPAN 3123 Spanish for Heritage Speakers II. Doing so will allow us to adapt the requirements for Spanish heritage speaking students, of which we have growing numbers. Span 3103 is really not appropriate for them, and SPAN 3123 provides a better option for these students.
