Courses Deleted as a result of this action:

How will students in the deleted program be accommodated?

The International Studies program (INST) is creating a new concentration in European and Transatlantic Studies. Students in EUST will be accommodated in the INST program.

How will funds from the deleted program be reallocated?

Funds from EUST will be transferred to INST.

Justification for this

request

EUST has insufficient faculty to maintain a full curriculum, which has led to a drop-off in majors and minors. EUST will be replaced by a new concentration in INST, which draws on existing INST courses.
