Reviewer Comments **Alice Griffin (agriffin) (03/10/17 4:19 pm):** Due to the approval timeline to meet catalog copy, changed the effective date to fall 2018.

Alice Griffin (agriffin) (03/10/17 4:21 pm): Rollback: Changing the name of a concentration is a major change and requires an LON 1 to be submitted along with the request.

Alice Griffin (agriffin) (11/06/17 3:35 pm): Changed concentration title field from Pedagogy to Kinesiology Pedagogy to match program title field with permission from S. Dittmore. This language is consistent with the LON that was submitted in 2016. No request to change concentration is being submitted. This is an administrative change to correct the records. Only a minor program change is being submitted with this current request.
