Description and justification of the request

Description of specific change

Justification for this change

Description of specific change	Justification for this change
Eliminate concentration.	1. There have been no students in the concentration for more than two years, and there has been a decline in the perceived need for graduates with this preparation.

Reviewer Comments

Alice Griffin (agriffin) (01/08/18 11:11 am): Changed effective catalog year from 2018 to fall 2019. It is too late to complete approval process for this fall. Changed LON to reflect updated effective date, inserted approval dates, and renamed document to match naming convention for BOT materials.
