Reviewer Comments

Alice Griffin (agriffin) (01/05/18 4:54 pm): Changed catalog effective date to fall 2019. It is too late to complete approval process for fall 2018. Updated effective date in LON, as well as corrected CIP code. Inserted approval dates and renamed document to match naming convention for BOT documents.

Kiersten Bible (kbible) (03/07/18 3:42 pm): Rollback: Per Vice Provost Judges' discussion with Dean Miller, and in light of the pending search for a Director of the EMSON, the Global Campus is rolling this application back to the Chair for further consideration.
