Web-based Program

The SOCI minor has grown in popularity. By expanding our online program, we will be providing educational access to non-traditional students, working professionals, and those who live too far from campus. The SOCI minor can be valuable for many career paths, including careers in communications, health professions, human resources, criminal justice, or business. Currently, SOCI minor is only available on-campus; Global Campus students would benefit from having this opportunity.

Alice Griffin (agriffin) (09/06/18 3:02 pm): Rollback: College Dean's Office requested rollback.

Alice Griffin (agriffin) (09/11/18 11:24 am): Rollback: Please change reason for change to offering program by distance. Also, an LON 13 will need to be submitted for approval.

Alice Griffin (agriffin) (11/16/18 8:21 am): Since rolling the request back, we have been notified that ADHE no longer needs notification for changes to Minor programs. Thus, no LON 13 is need to complete this request. It will only require campus approval.
