Program Goals and
Objectives

Program Goals and Objectives
1. Provide internationally competitive and industry recognized project management graduate education to meet emerging needs of operations management professionals.

Program Goals and Objectives
2. Prepare operations management students to assume project leadership roles in industry and government.

Learning Outcomes

Learning Outcomes
1. Develop project leadership competencies.
2. Apply technical project management methods to new projects and troubled projects.
3. Apply problem-solving skills that stem from the project environment.
4. Transfer learned techniques to the workplace.

Description and justification of the request

Description of specific change	Justification for this change
Adding Walton College at 2nd and Main site to replace Little Rock AFB	Decision paper attached for justification to close Little Rock due to declining enrollments and changing demographics. A presence will be maintained in Little Rock at the Walton College at 2nd and Main site. A miscellaneous change request adding the site has been submitted to the Board of Trustees for approval, effective spring 2019

Reviewer Comments

Alice Griffin (agriffin) (11/30/18 3:02 pm): Changed effective date in LON from spring to fall 2019 and inserted the approval dates. Renamed document to match naming convention. Note, the name of the document is reflecting the EMGTMS program, with the understanding that the one form is being used for multiple programs.

Manuel Rossetti (rossetti) (12/07/18 2:23 pm): Rollback: fix the LON

Ed Pohl (epohl) (12/07/18 2:26 pm): Rollback: FIX LON

Norman Dennis (ndennis) (01/07/19 4:16 pm): Rollback: Please make the descriptive changes match those you provided for the MSOM program. I'm presuming the students still have the option to pursue the degree in a hybrid mode, as described in your description of the MSOM program.
