#### Fall 2019

Allow students in program to complete through:

#### **Spring 2021**

Number of students still enrolled:

435

Courses Deleted as a result of this action:

How will students in the deleted program be accommodated?

The courses will remain the same and current students will be able to complete the program and/or shift to the Supply Chain Management major with no concentration.

How will funds from the deleted program

be reallocated?

Funding will remain the same as courses will continue to be required within the Supply Chain Management major with no concentration.

Justification for this

request

Employers have indicated a preference for the general Supply Chain Management major and students may take major electives and/or junior/senior business electives to differentiate areas of interest and/or obtain an additional minor in either field. Would like for students to complete program through 2023.
