	Description and justification of the request	Removing prerequisites from the program requirements. |	1) Adjusted admission standards for GRE scores and TOEFL scores.\\n2) Added statement that students must enroll in FDSC 5001 Seminar twice.\\n3) Adjusted the total number of hours of credit for students entering the program with a B.S. only and how those hours must be met (the breakdown between course credit, dissertation and 5000-level or higher minimum). This added 12 hours of credit required for these students (previously 60 hours, now 72 hours).\\n | 1) These admission standards are more in line with the current acceptance practices for the department.\\n2) This has always been the practice for this program. In order to be enforceable, the requirement must be stated in the official program requirements.\\n3) This change was required to be in compliance with ADHE requirements of 72 hours graduate credit past the B.S. Breakdown in course credit determined to be 48 based on course credit for MS is 24 and course credit for PhD with an MS is 24. Minimum of 32 hours for 5000-level or higher determined similarly (14 for MS and 18 for PhD with MS). The 6 additional hours beyond the 48 for coursework and 18 for dissertation are left at the discretion of the committee on how to complete.\\n

	Description and justification of the request	Add 3 hour 3000/4000 level Junior/Senior ISYS or Business Elective to clarify concentration. Add in the fourth year, fall semester of the Eight Semester Plan. | Clarify the total number of hours for the concentration.	- Add ISYS 1123, Business Application Knowledge to first year, fall semester, 8 semester plan\\n- Delete ISYS 1120, Computer Competency Requirement from first year, fall semester, 8 semester plan\\n- Delete 3 hours of general education elective from third year, spring semester, 8 semester plan \\n- Add US History or Political Science - University Core to third year, spring semester, 8 semester plan\\n | Pre-assessment exam scores for incoming freshmen over the past several years have been consistently indicating that only 4% of incoming freshmen have sufficient IT competency (coming out of their High School program) for Walton College courses. Therefore, most incoming Walton freshmen are required to take ISYS 1123, Business Application Knowledge in lieu of ISYS 1120, Computer Competency Requirement which currently does not count toward their degree. This change deletes ISYS 1120 as a pre-business requirement and incorporates ISYS 1123 as a pre-business and degree requirement. Additionally, reducing the total number of General Education Electives from 12 hours to 9 hours.
