Title	MicroCertificates: Creation of Graduate and Undergraduate MicroCertificates

Include justification and any necessary catalog text changes in the box below.

Several University constituents feel that this type of credential would enhance our port
students. Micro-certificates (Non-degree) Graduate micro-certificates: As defined by th
graduate-level micro-certificate programs consist of six to nine hours of required cours
area. The awarding of the micro-certificates will be shown on the student's transcript. S
admission requirements of the Graduate School and the micro-certificate program. The
not impose a limit on the number of hours that may be shared between micro-certifica
graduate certificate or degree programs, but a limit may be set by the program. Studen
certificate program must complete all requirements within six years of admission to the
who have been admitted to both a graduate degree program and a micro-certificate pr
meet the requirements of one may also be used to meet the requirements of the other
program and the student's Advisory Committee. Coursework may not be transferred fr

meet the requirements of a micro-certificate. Micro-certificates must meet, at a minim
average requirements of the Graduate School although programs may have higher star
micro-certificates: As defined by the University of Arkansas, undergraduate-level micro
consist of nine to 15 hours of required course work in a specialized area. The awarding
will be shown on the student's transcript. Students must meet the admissions and grac
the University of Arkansas. Credits earned toward the micro-certificate may also be use
requirements of an undergraduate degree. Transfer work from another university will r
the requirements of a microcredential.
