Program Goals and Objectives

### Program Goals and Objectives

1. Students in the English B.A. program should acquire both general and specialized knowledge in their field, as well as develop academic skills in preparation for careers in academia, education, and a number of ALTAC careers.
2. B.A. students should also gain professionalization skills and knowledge in preparation for going on the job market or applying to graduate programs.
3. B.A. students should be able to complete their degrees in a timely fashion.

### Learning Outcomes

#### Learning Outcomes

1. B.A. students should demonstrate a comprehensive knowledge of literary works in the English language, from the Medieval Period to the present. This knowledge should include a basic understanding of broad concepts such as genres, periods, and movements as well as a familiarity with a variety of individual texts that exemplify these concepts.
2. B.A. students should be able to demonstrate knowledge of and an appreciation for diversity, specifically as it relates to a wide range of English-speaking cultures.
3. B.A. students should possess skills for the appreciation and critical reading of literary texts, including a general knowledge of techniques of literary analysis and criticism, and be able to use these techniques to write intelligently about literature.
4. B.A. students should be able to analyze, create, and defend complex arguments in correct and rhetorically effective written English.
5. B.A. students majoring only in English should be able to complete their degrees in 4 years; B.A. students with additional majors should be able to complete their degrees in 4 to 5 years, depending upon number and type of additional majors.
6. Graduating B.A. students should be able to secure employment, or to pursue additional education, that will aid them in developing professional careers.

### Description and justification of the request

Description of specific change	Justification for this change
Addin online/web-based delivery to program delivery.	To increase the number of English majors by making courses taught by UA faculty far more accessible.
Added ENGL 3103 as a major requirement and reduced the concentration hours from 21 to 18 to keep the total number of ENGL hours the same at 54.	Requiring ENGL 3103 allows the major to satisfy General Education Outcomes 1.2, 5.1, and 6.1

#### Reviewer Comments

**Alice Griffin (agriffin) (09/11/20 9:55 am):** Deleted the eight semester plan. As this information will be presented within each of the three concentrations. Worked with submitter to update the LON and curriculum format. Renamed documents to match BOT naming convention.

**Lisa Kulczak (lkulcza) (10/08/20 12:28 pm):** No changes to concentrations for this proposal, so updated the concentration question to reflect that. Concentrations were updated for fall 2020 on a prior proposal.

**Ryan Cochran (rcc003) (10/30/20 8:33 am):** Added ENGL 3103 as a major requirement and reduced the concentration hours from 21 to 18 to keep the total number of ENGL hours the same at 54. Also, updated the ENGLBA - Distance Delivery - Curriculum document to reflect the changes in the 8SDPs.

**Ryan Cochran (rcc003) (11/03/20 2:19 pm):** Reverted the changes that reduced the concentration hours from 21 to 18 to keep the total number of ENGL hours the same at 54. Instead, the concentrations will remain at 21 hours with the addition of another ENGL elective related to the TPCL and RWHR concentrations. Total number of ENGL credit hours required for the major increased to 57.

**Alice Griffin (agriffin) (11/06/20 3:21 pm):** The English Department has requested that ENGL 4573 be removed from the diversity electives.
