Justification for this request

**Walton has created a new academic department--Strategy, Entrepreneurship and Venture Innovation (SEVI)--which inherited the small business and entrepreneurship concentration from the Management Department. SEVI has reconfigured the concentration into a new major—Innovation and Entrepreneurship (INEPBS)—to expand opportunities for entrepreneurially minded students, as well as to meet the growing demand for graduates with skills and abilities related to corporate innovation.**

**Lisa Kulczak (lkulcza) (01/27/21 11:56 am):** Deletion of a concentration no longer requires off-campus approval; adjusting workflow accordingly. Have also set last admit term in UAConnect in anticipation of this proposal completing the approval process.
