Program Goals and

Objectives

Program Goals and Objectives

The Executive MBA program is designed for individuals who are working full time. It develops students to run a complex business organization in an effective way. The skills emphasized in the program include global awareness, analytical skills, communication abilities and integrative skills that allow students to effectively make complex business decisions. Students who join this program are expected to bring unique skills derived from prior technical training or business experience.

Learning Outcomes

Learning Outcomes

Learning Outcomes

Graduates of the MBA program at the Sam M. Walton College of Business will be able to:

- Collect, organize, and analyze relevant economic, financial, marketing, legal, and technical information using appropriate tools and strategies.
- Demonstrate persuasive communication skills, both individually and as a part of a team.
- Recognize and explain the ethical consequences of business decisions.
- Employ strategic approaches to solve managerial challenges and address potential opportunities.
- Synthesize information to make recommendations that support achievement of organizational goals.

Description and justification of the request

Description of specific change	Justification for this change
<p>Total net change of 3 hours to the degree involving reduction in internship requirement and inclusion of 1 hour Intro to Global Business. Qualifies for a minor change.</p> <p>Added "track" designation to each track subject area</p> <p>Added General Business Administration Track to allow for combined track option for students to use existing track courses.</p> <p>ECON/SEVI 537V 1 hour Intro to Global Business updated to MBAD 5531.</p> <p>ECON/SEVI 537V 3 hour Global Business updated to MBAD 5533.</p> <p>Overall degree requirement reduced from 53 to 51 hours.</p>	<p>Changes were made to update MGMT prefixes to the new SEVI department code where appropriate. General Business Administration Track added to accommodate students wanting customized courses for particular skillset development.</p> <p>Updated ECON/SEVI 537V to MBAD 5531 and MBAD 5533 to reflect direct MBA Program administration of these courses and faculty hiring from multiple departments.</p> <p>Reduction of the internship credit hour requirement from 3 hours to 1 hour to reduce financial burden to students while still reflecting accurate workload in the course evaluation.</p>
