On-line/Web-based Information

Reason for offering
Web-based Program
   **The English Department is in the middle of a three-year rollout of its on-line major through Global
   Campus. Enrollments are already very promising. At the recommendation of Global Campus
   administration, the same courses to be developed for the major can satisfy an on-line ENGL minor which
   would have stand-alone appeal but also serve as a component of the Interdisciplinary major.**
