Description and justification of the request

Description of specific change	Justification for this change
Add a new course: CATE 41006 Teaching Residency I	This is needed to change to the yearlong internship. CATE 41006 Teaching Residency I will be taught during the fall semester. Students will be placed in a local public school Monday/Wednesday/Friday during the fall semester and complete 18 hours per week residency.
Change the classroom management course from CATE 40503 to SEED 40203 Classroom Management Concepts	This is similar curriculum as CATE 40203. The justification is to maximize resources.
Change electives to reflect the additional hours (CATE 41006).	Electives were reduced to accommodate the number of credit hours in CATE 41006 Teaching Residency I.
Change name of CATE 40612 Teaching Internship to CATE 40612 Teaching Residency II	Terminology is changing from "internship" to "residency." This is already going through the system.
