Justification for this  
request

This is an inactivation of the departmental writing requirement in conjunction with a college wide change to remove the Fulbright Writing Requirement. This does not change established program/specific course requirements for students. This change coincides with the update to the "ARSC College Academic Regulations", which remove the Fulbright Writing Requirement on the basis that it is redundant to departments assessing General Education Learning Outcome (GELO) 6.1.

## Program Requirements and Description

---

### Requirements

**Writing Requirement:** Students may satisfy their senior writing requirement with a paper in any 3000 or 4000-level ECON class. A student must inform their professor in writing by the end of the second week of class that they would like to use a particular course to fulfill this requirement. Work cannot involve a group project, and students must have senior standing. Completion of an honors thesis will also satisfy this requirement.

Reviewer Comments

**Lisa Kulczak (lkulcza) (11/25/24 10:18 am):** Departmental writing requirement deletions do not require off-campus approval; workflow has been adjusted accordingly.

**Lisa Kulczak (lkulcza) (11/25/24 10:41 am):** Adjusted dates for "No new students admitted after" and "Allow students to complete through" based on email from dean's office.
