Justification for this
request

This is an inactivation of the departmental writing requirement in conjunction with a college wide change to remove the Fulbright Writing Requirement. This does not change established program/specific course requirements for students. This change coincides with the update to the "ARSC College Academic Regulations", which remove the Fulbright Writing Requirement on

the basis that it is redundant to departments assessing General Education Learning Outcome (GELO) 6.1.

Program Requirements and Description

Requirements

Writing Requirement: Students majoring in psychology will satisfy the Fulbright College writing requirement by successful completion (a grade of at least a "C") in either [PSYC 40803](#) or [PSYC 42803](#), each of which requires a final research paper written in American Psychological Association style.

Reviewer Comments

Lisa Kulczak (lkulcza) (11/25/24 10:28 am): Departmental writing requirement deletions do not require off-campus approval; workflow has been adjusted accordingly.

Lisa Kulczak (lkulcza) (11/25/24 10:44 am): Adjusted dates for "No new students admitted after" and "Allow students to complete through" based on email from dean's office.
