Program Requirements and Description

Requirements

University of Arkansas and Fulbright College of Arts and Sciences Requirements for a Bachelor of Arts in Economics

~~The following~~ ~~The following~~ credit hour requirements must be met (see [Degree Completion Program Policy](#) for additional [information](#)). ~~In addition, the Fulbright College Writing Requirement may be satisfied by completing a paper in any ECON course numbered 3000-level or higher.~~

~~The student must inform their professor in writing by the end of the second week of class that they would like to use a particular course to fulfill this requirement. Work cannot involve a group project, and students must have senior standing. Completion of an honors thesis will also satisfy this requirement.~~ State minimum core requirements may vary by individual, based on placement and previous course credit earned. Once all core requirements are met, students may substitute with general electives in consultation with their academic advisor. **Courses from the course list below may be applied to portions of the State Minimum Core requirements.**
