Description and justification of the request

Description of specific change	Justification for this change
<p>Removing tracks from degree program. (started last year but not completed in time for 2024-25 catalog.)</p>	<p>The tracks were simply to keep track of what instrument students played. This record-keeping can be accomplished in other ways. The tracks did not indicate any curricular differences and they were not a meaningful designation within the theory concentration.</p>
<p>Removing references to 24 hour rule, which has been removed from ARSC catalog.</p>
