Justification for this
request

This is an inactivation of the departmental writing requirement in conjunction with a college wide change to remove the Fulbright Writing Requirement. This does not change established program/specific course requirements for students. This change coincides with the update to the "ARSC College Academic Regulations", which remove the Fulbright Writing Requirement on the basis that it is redundant to departments assessing General Education Learning Outcome (GELO) 6.1.

Program Requirements and Description

Requirements

Writing Requirement: To fulfill the Fulbright College writing requirement, each sociology major will submit, prior to graduation, a substantial research or analytical paper, with a grade of "A" or "B" from an upper-division sociology course (3000-, 4000-, or 5000-level) to their departmental adviser. Satisfactory completion of an honors project or a senior thesis may fulfill this requirement.

Reviewer Comments

Lisa Kulczak (lkulcza) (11/25/24 10:29 am): Departmental writing requirement deletions do not require off-campus approval; workflow has been adjusted accordingly.

Lisa Kulczak (lkulcza) (11/25/24 10:44 am): Adjusted dates for "No new students admitted after" and "Allow students to complete through" based on email from dean's office.
