ANTH 37503			Added
ARSC 20101			Added
HIST 48903	Proposed Effective Date	Fall 2024	Fall 2025
	Are multiple enrollments allowed in a term?	No	Yes
	Create Topic Name?	Yes	No
	Justification		The department wishes to allow students to enroll in this class multiple times in one semester, since a student might get to their final semester and realize that they have only completed 3 of the 6 hrs needed and might need to complete all 6 hrs in one semester. In this case, taking all six hours at once is appropriate. Otherwise, students would need to extend their graduation plan.
