	Select a reason for this modification	Making Changes that Qualify for a Shortened Approval Process (including 15 or fewer hours within the college, total hours and admission/graduation requirements remain the same)	Making Minor Changes to an Existing Certificate, Degree or Program (including 15 or fewer hours, admission/graduation requirements, Focused Studies or Tracks)
	Effective Catalog Year	Fall 2025	Fall 2026

This provides consistency for this requirement across ADPRBA and JOURBA (and its concentrations). See description of change.	1. Updating the Title and Description of the Cultural Perspectives Requirement 2. 	Description and justification of the request	Replacing INST/PLSC 28013 with INST 201013 small reorganization of Global Issues list to add new cross-listings and alphabetize list updating references to course numbers to use new 5-digit standards, especially regarding language req INST/PLSC 28013 is being inactivated	Changing department from PLSC to INST. This reorganization was functionally done several years ago, but the change was never made in CourseLeaf. The college was asked to wait until after Workday student implementation, but in discussion with the dean's office, provost's office and registrar's office, we are proceeding with the update.

	Reviewer Comments	Ikulcza - Mon, 17 Mar 2025 15:03:08 GMT - This proposal qualifies for the shortened approval process; workflow has been adjusted accordingly.	Ikulcza - Tue, 23 Sep 2025 21:07:59 GMT - Per conversation with Sr. Vice Provost, this move only requires campus approval. INST is not an officially established department; rather, one program area within the department of the dean's office. This allows for granular access within the approval chain so that the INST program director can approve changes for this program but not for others residing in the dean's office (and vice versa). Ikulcza - Fri, 07 Nov 2025 19:12:01 GMT - Rollback: Per request from dean's office. FS secretary confirmed this proposal will be pulled from the November FS agenda.

	Do the proposed changes impact any specific course(s) from another college or school?	No	Yes
	Description and justification of the request	Administratively correcting effective date to proper naming conventions. JM 10/04/2024. Changed effective date from 8/15/2024 to Fall 2024.	Replacing ACCT 24003 with ACCT 20103. ACCT 24003 was created by the Department of Accounting because, in the past, no single ACCT course included all the content that BSIEOA students need.\\n\\nACCT 20103 was recently updated and the updated course now includes the content our students need. Accordingly, the Department of Accounting asked us to consider replacing ACCT 24003 with ACCT 20103. We also like the course scheduling flexibility that the multiple sections of ACCT 20103 provides to our students.\\n\\nAny students who have already taken ACCT 24003 or take it in the future will be allowed to substitute it for ACCT 20103.

	Reviewer Comments		Ikulcza - Sun, 12 Oct 2025 15:57:05 GMT - Adjusted reason for proposed change; since this impacts courses from another college, this does not qualify for the shortened approval process.
