Department of Agricultural Economics and Agribusiness

AFLS-M - Minor in Global Agricultural, Food and Life Sciences - Attachment 1A

Proposal adds courses HESC 4653, Global Travel and Tour Management, and AFLS 3313H, Honors Global Issues, to the core course listing and controlled electives listing. Other additional changes are specified in Section V of the Attachment 1A.

TABLE TWO

TLOGMT - Master of Transportation and Logistics Management - Attachment 2A

Proposal eliminates the Master of Transportation and Logistics Management degree as specified in Section IV of Attachment 2A.

**ATTACHMENT 1A
ADD, CHANGE OR DELETE PROGRAM OR UNIT**

Complete this form consistent with the instructions in Academic Policy 1622.20. Use the form to add, change, or delete a program or unit. Proposed additions and changes must be consistent with Academic Policies 1100.40 and 1621.10 and any other policies which apply.

Academic Unit: Major/Field of Study Minor Other Unit _____
 Level: Undergraduate Graduate Law Effective Catalog Year 2007-2008

Current Name **Global Agricultural, Food and Life Sciences**

College, School, Division **AFLS**

Department Code **AEAB**

Current Code (6 digit Alpha) **AFLS-M**

Proposed Code (6 digit Alpha) _____
 Prior approval from the Office of the Registrar is required.

Interdisciplinary Program

CIP Code **01.0102**
 Prior assignment from Office of Institutional Research is required.

Proposed Name _____

When a program name is changed, enrollment of current students reflects the new name.

SECTION III: Add a New Program/Unit

For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE <<http://www.adhe.arknet.edu.aadept.html>>.

Program proposal uses courses offered by another academic college. The signature of the dean of that academic college is required here: _____

SECTION IV: Eliminate an Existing Program/Unit

Code/Name _____ Effective Catalog Year _____

No new students admitted to program after Term: ____ Year: _____

Allow students in program to complete under this program until Term: ____ Year: _____

SECTION V: Proposed Changes to an Existing Program

Insert here a statement of the exact changes to be made: (1) Add AFLS 3313H Honors Global Issues in AFLS and HESC 4653 Global Travel and Tour Management to the list of core courses and controlled electives for the minor. (2) The previous list of electives for "students only taking 3 hours of study abroad" will be merged into the controlled electives list. (3) Delete AGEC 402V Special Topics from the list of core courses and elective courses.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

(1) The two added courses (AFLS 3313H, HESC 4653) provide an honors component and additional relevant courses for students taking the minor. (2) The merging of the two elective course lists into a single list of controlled electives provides added flexibility and choice without diminishing program content. (3) Deletion of AGECE 402V from the core eliminates a course of indefinite content (special topic) from the core requirements. The ability to choose a special topic course is still available in the controlled electives under "any other course with an international focus."

SECTION VII: Catalog Text and Format

Insert the current catalog text, with proposed changes identified in Section V inserted and tracked in Microsoft Word. Be sure that all proposed changes are inserted and tracked. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

CURRENT CATALOG TEXT:

Minor in Global Agricultural, Food and Life Sciences (AFLS-M)

The Bumpers College offers a minor in global agricultural, food and life sciences to provide students throughout the college opportunities to complement their major field of study with an international component. It is designed to provide learning skills and international experiences leading to greater understanding of global issues in agriculture, human and environmental sciences and the ability to participate effectively.
