## LETTER OF NOTIFICATION – 7

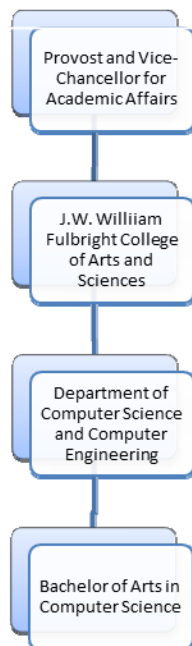

### REORGANIZATION OF EXISTING ORGANIZATIONAL UNITS

1. Institution submitting request: University of Arkansas, Fayetteville
2. Contact person/title: Sharon Gaber
3. Phone number/e-mail address: (479)575-5459 / sgaber@uark.edu
4. Proposed effective date: Fall 2012
5. Name of current organizational unit: J.W. William Fulbright College of Arts and Sciences
6. Name of proposed unit: College of Engineering
7. Reason for proposed change:

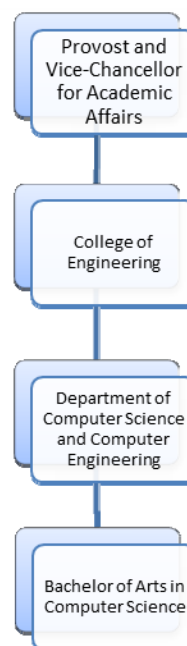

The CSCE department requests that the Bachelor of Arts in Computer Science degree be moved from Fulbright College of Arts and Sciences to the College of Engineering. The justification for this request is that the BA degree is supported entirely by the CSCE department whose funding is provided by the College of Engineering. The curriculum is administered by, and the students advised by, faculty from CSCE. Moving the degree to the College of Engineering would allow the BA students to have access to the support from the College of Engineering that the CSCE students receive, including tutoring and advising. In addition, the College of Engineering undergraduate recruiting office would be able to provide improved service to help increase the enrollment in the BA program.

8. Provide current and proposed organizational chart.

9. If proposed changes result in a reallocation of funds, which departments/programs will receive the reallocated funds?
