Level:	Undergraduate	Graduate	Law	Effective Catalog Year 2013		
Program changes are effective with the next available catalog. See Academic Policy Series 1622.20						
Current Name BSE, Human Resource Development						
College, School, Division EDUC		Department Code <u>RHRC</u>				
Current Code (6 digit Alpha) HRDVBS		Proposed Code (6 digit Alpha) HRWDBS Prior approval from the Office of the Registrar is required.				
Interdisciplinary Program		CIP Code <u>52.1005</u> Prior assignment from Office of Institutional Research is required.				
Proposed Name BSE, Human Resource and Workforce Development When a program name is changed, enrollment of current students reflects the new name.						

SECTION III: Add a New Program/Unit

For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE http://www.adhe.edu/divisions/academicaffairs/Pages/aa_academicproposals.aspx

Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

SECTION IV: Eliminate an Existing Program/Unit

Code/Name ____ Effective Catalog Year ____

No new students admitted to program after Term: ____ Year: _____ Allow students in program to complete under this program until Term: ____ Year: _____

Anow students in program to complete under this program until Term. _____ Tear. _____

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Change the alpha code of the HRDV program to HRWD

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

Check all the boxes that apply and complete the required sections of the form:

Change of Name and Code (Complete only sections I, II, V and VII.)

Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The changes noted here reflects ACT 747 requiring 120 hours of coursework for the Bachelor's degrees in Arkansas. The reduction from 124 to 120 hours is shown in our program requirements below. The 4 hour reduction is in the technical requirements for the degree. The name of the program is being changed to reflect the program within which it is administered (HRWD) and to align it with both the master's and doctoral degrees of the same name within the program. The curriculum changes reflect a better alignment with the master's and doctoral degrees which focus on HRD theory and workforce development principles. The reduction from 5 years of work experience to 3 years is to make the program more accessible to students on the University of Arkansas- Fayetteville campus who may want to enroll in the program. Currently, there are few students on the campus who meet the 5 years work experience requirement and want to enroll in our degree program. The Capstone course (HRWD 4333) was added to provide a comprehensive assessment of students' understanding of degree content prior to receiving the degree. All applied courses have been removed from the degree to increase the rigor of the program, align the coursework with benchmark institutions, and align the coursework with empirical research of HRD degree programs.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

organizational development, and career planning and counseling skills to the o	design, management, and evaluation of programs to improve individual productivity, employability, and				
job satisfaction and organizational effectiveness. Includes instruction in psychology; organizational behavior; principles of adult education; occupational counseling; skill testing and					
evaluation; program design; consulting practice; organizational development; a	and applications to issues such as training, management development, customer service, and total quality				
management. The plan of study accelerates degree-completion by awarding	technical credit for professional certifications and knowledge gained by experience. Online courses are				
	n a solid academic base to pursue a graduate degree. This major does not lead to a traditional licensure for				
teachers in Arkansas.	1 0 0 /

Four-Semester Degree Completion Program	
The nature of the Human Resource Development major excludes it from ACT 1014 eight-semester degree-completion program requirements.	
Act 1014 eight-semester degree-completion program requirements. Additional information regarding this major is available on the College Web	
site <mark>. The HRWD degree is a 120 hour degree in accordance with ACT 747.</mark>	
Presented below is a typical plan for completing this degree in four	
semesters; individual student plans may vary significantly. Courses in bold must be taken that semester. Credit from Human Resource and Workforce	
Development academic adviser—approved National Occupational	
Competency Testing Institute (NOCTI) assessments accelerate completion	
of technical requirements. If fewer credits than needed are earned by exam, completing additional required coursework may require heavier	
course loads and/or additional semesters to graduate. The 19 hours of	
technical requirements can be completed at any time during the program.	
Students are not required to complete courses during the summer, but courses will be offered. Students may be able to finish the program sooner	
if they enroll in summer courses.
