Check if either of these boxes apply and provide the necessary signature:

Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

□ Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

Check all the boxes that apply and complete the required sections of the form:

□ Change of Name and Code (Complete only sections I, II, V and VII.)

□ Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

□ Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

□ Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

□ Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Walton College requests that the Managerial MBA be renamed the Executive MBA; this latter name better reflects the norms within MBA programs and also better represents the types of students who have an interest in the program. Concurrently, the College requests that the current program option titled Executive MBA (taught in Shanghai, China only), be deleted. Note that ADHE has already deleted this site from the AHECB Approved Graduate Degree list for UA, Fayetteville.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Master of Business Administration

The Master of Business Administration program is accredited by the Association to Advance Collegiate Schools of Business (AACSB International). The M.B.A. degree is directed at students preparing for a professional career. It requires 38-48 graduate credit hours of study for students with an adequate undergraduate background. Students without the necessary academic background may be required to take additional hours prior to enrollment in the M.B.A. program. Two plans of study are offered: the full-time program and the Executive (part-time) program and the executive program (offered in Shanghai, China). The full-time program can be finished in 16 months; the Executive program requires a minimum of 24 months of study. The executive program can be completed in 17 months. The degree is a non-thesis program. See page 171 for M.B.A. academic dismissal policy.

The full-time M.B.A. program comprises 28 hours of core courses, a 9 hour concentration track, 5 hours of professional development, a 3 hour consulting project or a 4th graduate business elective, and a 3 hour internship or study abroad for a total of 48 credit hours. The part-time Executive M.B.A. program is a lock-step sequence beginning with an introduction to the value chain, nine core business courses, a capstone project, and a two-course sequence in strategic retail management. The executive MBA program consists of a lock step sequence of core business courses and a capstone project.

Areas of Concentration: The M.B.A. full-time program has four defined areas of concentration: Retail Marketing Management, Supply Chain Management, Financial Management, and Entrepreneurship and Innovation. The Executive M.B.A. program offers a single concentration in value chain optimization in the consumer products and retail sectors. The executive M.B.A. program is focused on consumer packaged goods and retail industries, especially those based in China.

Prerequisites to Degree Program: Students entering the M.B.A. program are expected to have already mastered basic business concepts in the areas of information technology, quantitative analysis, accounting, finance, economics, marketing, management, and business law. Mastery of the aforementioned topics must be demonstrated before entering the program.

Admission to Degree Program: Students must be admitted to the Graduate School of Business and to the M.B.A. program by the M.B.A. Admissions Committee. Admission to the M.B.A. program is based upon an acceptable Graduate Management Admission Test (GMAT) score, an acceptable grade-point average, recommendations, essays, and related work experience. For specific admission requirements in addition to general admission requirements for the M.B.A. program, please access the information online at gsb.uark.edu or contact:
