8. Reason for deletion:

The journalism minor is only available to students in the Bumpers College of Agricultural, Food and Life Sciences. The Bumpers College and the Lemke Department of Journalism have agreed to delete the minor in journalism, primarily because agricultural students may now do a minor in Agricultural Communications. Also, it is difficult to justify a journalism minor that is only offered to one group of students, and the journalism department does not have the resources at this time to handle the demand for a university-wide minor.
