SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: <u>1. A change in the foundations curriculum, which will replace all current foundations requirements</u>. This will be a decrease in the credit requirement from eight courses making up the 24 credits in foundations (ARTS 1013, 1313, 1323, 2003, 2013, 2313, 3333, and 3023 or 4343) to two courses (ARTS 1919C and ARTS 19219C) a total of 18 credit hours.

2. Another change is for drawing to be a required directed elective in the BFA Studio Art program.

3. Change the ARTS 4921 Senior Portfolio Review obligation to reflect the course change of ARTS 4921 to ARTS 4923

Professional Development to be taken in the student's area of concentration.

4. The Writing Requirement is being updated to include the newer ARHS courses which can satisfy the Fulbright College Writing Requirement.

5. The total # of hours required for the Art, BFA Studio Art major has been reduced from 88 to 84 hours as a result. The total # of hours required for the degree remains unchanged. The total # of hours required for the Art, BFA Art Education major has been reduced from a minimum of 76 hours to a minimum of 72. This does result in a change in hours for the BFA Arts, Art Education degree which now can be completed in 120 hours instead of 123. 6. Changes to the 8-semester plans have been made to reflect these changes.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

Check all the boxes that apply and complete the required sections of the form:

Change of Name and Code (Complete only sections I, II, V and VII.)

Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

There are three changes in the studio art requirements for the BFA in Art Studio.

1. The change in the foundations curriculum will decrease the credit requirement from eight courses making up the 24 credits in foundations (ARTS 1013, 1313, 1323, 2003, 2013, 2313, 3333, and 3023 or 4343) to two courses (ARTS 1919C and ARTS 19219C) for a total of 18 credit hours. Some objectives are to create more cohesion in the curriculum and within the freshman art student body. This new curriculum will increase long-term success in the entire art program, and in turn positively impact the four year graduation rate. The new foundation courses will also increase measurable learning outcomes, replace outdated courses, decrease redundant teaching concepts in multiple required classes, and halt upperclassman from taking foundations classes in their senior year.

2. Another change is for drawing to be a required directed elective in the BFA Studio Art program due to the decrease in the drawing requirement in the new Foundations sequence.

3. Change the ARTS 4921 Senior Portfolio Review obligation to reflect the course change of ARTS 4923 Professional Development to be taken in the student's area of concentration. This better prepares the student for a future art career with the credit increase and the area faculty teaching students in their field about their field.

All of these changes are implemented due to the Department of Art's future consideration in NASAD accreditation (National Association of School of Art and Design).

4. The Writing Requirement is being updated to include the newer ARHS courses which can satisfy the Fulbright College Writing Requirement. This is being done for clarity and proper advising.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

• State complete major/program name

- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- · State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in
 addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or
 elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- · Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Bachelor of Fine Arts Degree

Admission: Students earning a grade-point average of 3.00 or higher in art, after the completion of <u>ARTS 1919C013</u>, and <u>ARTS 131929C13</u>, and <u>ARTS 1323</u>, and who have maintained an overall grade-point average of 2.00 are eligible to make application to the B.F.A. degree program. In addition to meeting the required grade-point average, all students must submit, as part of their application, a portfolio of current representative work for evaluation by the art faculty. Acceptance into the B.F.A. program is contingent upon favorable evaluation by the art faculty of the applicant's portfolio. Upon acceptance into the B.F.A. degree program, each student will be assigned a major adviser for the purpose of completing a degree plan, which must meet departmental approval.

After entry into the B.F.A. program, the student is required to complete two semesters with a minimum of three credit hours of course work in their major studio area each semester.

Transfer credit will be allowed from other accredited and recognized art departments if the credit earned is compatible with program and course requirements within the UA art department and reflects a grade of "C" or higher. This department will not accept more than 50 percent of the required B.F.A. professional degree credits from another institution. The Department of Art will require portfolio review for acceptance of all studio art transfer courses above the foundations level.

Degree Requirements: The Bachelor of Fine Arts degree will be awarded to students, who, upon the completion of the approved program, have maintained a 3.00 grade-point average within the UA art department and a 2.00 grade-point average overall. Students in the B.F.A. program whose grade point average falls below 3.0 in art classes for two consecutive semesters will be dismissed from the B.F.A. program. A faculty-supervised critique of the work of each student, once each semester in the program, is required. A senior review and exhibition will be required prior to the granting of the degree.

Off-campus Study Requirement: Each student is required to complete an approved off-campus study experience each semester in the program. This may involve a field trip to an urban center that includes visits to major art collections.

Requirements for the Bachelor of Fine Arts Degree with a Concentration in Studio Art: In addition to the university/state core requirements (see <u>Academic Regulations</u>) and the <u>Fulbright College of Arts and</u> <u>Sciences Graduation Requirements</u> (see under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

Students who wish to apply for admission to the internship program in art education must complete the following Stages.

Stage I: Complete an evaluation for internship. Students must also meet the following criteria to be cleared for the internship:

1. Declare the major in art education in the Fulbright Advising Center, 518 Old Main.

- Successful completion of the PRAXIS I test by meeting or exceeding the Arkansas Department of Education cut-off scores. This test should be taken after the student has completed 30 credit hours and upon completion of ENGL 1013, ENGL 1023, and MATH 1203.
- 3. Obtain a "C" or better in the following pre-education core courses: <u>CIED 1002</u>, <u>CIED 1011</u>, <u>CIED 3023</u>, and <u>CIED 3033</u>.
- 4. Obtain a "C" or better in ARED 3613, ARED 3643, ARED 3653.
- 5. Satisfactory completion of the Evaluation for Internship form. The Evaluation form must be completed by October 1 prior to doing a fall internship or March 1 prior to doing a spring internship. This form is available online at http://coehp.uark.edu/Evaluation_for_Art_Internship.doc The completed form must be returned to the Coordinator of Teacher Education, 8 Peabody Hall, no later than the stated deadline.
- 6. Complete the B.F.A. degree with a cumulative GPA of 2.50 or higher. The degree must be posted to your University of Arkansas transcript at the Registrar's Office prior to internship.
- 7. Obtain departmental clearance for internship based on successful completion of portfolios, evaluation for internship, GPA requirements, course work requirements, selected written recommendations, an interview, and/or other requirements specified by your program.

8. Complete licensure packet available from the Coordinator of Teacher Education, Peabody Hall Room 8. All requirements in Stage I must be met to be cleared for the internship. Please contact the Coordinator of Teacher Education, 8 Peabody Hall, College of Education and Health Professions for more information.

Stage II: Internship

1. Complete the one-semester internship at an approved site in Washington or Benton counties.

2. Complete Praxis II requirements. See your adviser for completion dates.

NOTE: Students should always consult the Coordinator of Teacher Education for any licensure requirement changes. Students will not be licensed to teach in Arkansas until they have met all requirements for licensure as set forth by the Arkansas Department of Education.

Usually licensure in another state is facilitated by qualifying for a license in Arkansas. An application in another state must be made on the application form of that state, which can be obtained by request from the State Teacher Licensure office in the capital city. An official transcript should accompany the application. In many instances the applications are referred to the Coordinator of Teacher Education to verify program completion in teacher education.

Writing Requirement: The Fulbright College research/analytical writing requirement for art majors, B.A. and B.F.A. degrees, will be fulfilled in the following art history courses. It may also be fulfilled by an honors thesis in art history (only and a grade of at least a "C")).
