Kelly, not of all our 4000 level courses are graduate level credit. For example the ones listed below are prerequisites.

University of Arkansas Prerequisite Course	Equivalent Course
OMGT 4313 - Law and Ethics	Business Law
OMGT 4323 - Industrial Cost Analysis	Accounting
OMGT 4333 - Applied Statistics	Statistics from any academic discipline

The others are for graduate credit, but I wanted you to be aware of this. We do not restrict any major from taking our courses we always let the students know to check with their advisor before enrolling in any OMGT course.

Hope this helps, and let me know if you have additional questions.

Adam
