SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: **1) Change the music theory course requirements in the Bachelor of Music Degree with an emphasis in Theory by replacing the six hours of composition courses (MUTH 164V, 264V, 364V, or 464V) with six hours of music theory electives. The proposed change will not require a change in the total number of hours.** **2) Add Women's Chorus to the list of ensembles that will fulfill the ensemble requirements for the Bachelor of Music Degree with an emphasis in Music Education, Choral/Voice and Choral/Piano. The proposed change will not require a change in the total number of hours.** **3) Add Women's Chorus as an ensemble that will fulfill the degree requirement that music majors are required to enroll in MUEN 1411 Concert Choir during the first year of residence.**

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1) Music Theory majors have little or no need to be able to compose music. Giving students the opportunity to explore other elective theory courses will add greater depth and knowledge to their theory background. **2) The addition of the Women's Chorus to the ensemble section by vocal music majors will allow our choral ensemble directors to balance female/male ratio in our mixed vocal ensembles.** **3) Pursuant to the addition of Women's Chorus as fulfilling a degree requirement, Women's Chorus should be included as also fulfilling the requirement that "All music majors are required to enroll in MUEN 1411 Concert Choir during the first year of residence".**

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

- 3) ALL MUSIC MAJORS ARE REQUIRED TO ENROLL IN MUEN 1411 CONCERT CHOIR OR MUEN 1591 WOMEN'S CHORUS DURING THE FIRST YEAR OF RESIDENCE

Degrees in Music

Two baccalaureate degrees in music are available: the Bachelor of Music and the Bachelor of Arts with a Major in Music. To achieve junior standing in the curriculum leading to the Bachelor of Arts degree with a major in music and the Bachelor of Music degree, the student must have completed 56 hours and must have maintained a cumulative grade average of "C" in all music courses, with the exception of ensemble, by the end of the fourth semester. The student must also have earned a grade average of not less than "B" in the major applied field of study during the sophomore year. This standing is prerequisite to all 3000-level courses and above in music.

Pursuant to enrolling in applied music courses, all music majors must audition for the music department faculty. Private study of the primary voice/instrument for music majors requires the successful completion of an audition for the instructor and consent of the Department of Music. Music majors are expected to own their own instruments. Some instruments are provided for student use only in certain circumstances and at the discretion of the music department.

All music majors, with exceptions noted below, are required to enroll in [MUEN 1411 Concert Choir](#) or [MUEN 1591 Women's Chorus](#) during the first year of residence. Exceptions to the requirement would include all students pursuing the Bachelor of Music (B.M.) degree for whom voice or piano is the major applied area.

Piano Proficiency Requirement: Students pursuing a Bachelor of Music degree must pass a piano proficiency examination upon entering the University of Arkansas or must register in piano classes until this requirement is met. Students with previous piano training may take a piano placement exam and be advised to omit one or more semesters of Class Piano ([MUAC 1221](#), [MUAC 1231](#), [MUAC 2221](#)). Students will receive college credit for the omitted class piano courses if they validate their higher placement by passing an advanced piano course with a grade of "B" or better.

On the basis of prior study in music, a student may be advised to omit one or more semesters of Aural Perception ([MUTH 1621](#), [MUTH 1631](#), [MUTH 2621](#)). Students will receive college credit for the omitted aural perception courses when they have validated their higher placement by passing the course in which they are placed with a grade of "B" or better.

Writing Requirement: Students can meet the Fulbright College writing requirement by submission of a satisfactory term paper for [MUED 4112](#) (music education majors) or [MUHS 4253](#) (all other music majors).

Requirements for a Major in Music leading to a Bachelor of Music Degree

In addition to the [University Core requirements](#) and the [Fulbright College of Arts and Sciences Graduation Requirements](#), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University Core requirements.

Students must complete:

- | | |
|---|---|
| A World Language Course at the 1013 Elementary II Level. ¹ | 3 |
| HIST 1113 Institutions and Ideas of World Civilizations I (ACTS Equivalency = HIST 1113) (Sp, Fa) | 3 |

[HIST 1123](#) Institutions and Ideas of World Civilizations II (ACTS Equivalency = HIST 1123) (Sp, Fa) 3

And all of the following specific requirements for one of the following major areas of emphasis. ²

¹ 1003 Elementary I, if taken prior to 1013 Elementary II, usually will not count towards the 120 hours required for degree credit; see [College Admission Requirements](#) for further details.

² All students must complete two semesters of [MUAP 110V](#) with a grade of “A” or “B” and two semesters of [MUAP 210V](#) with a grade of “A” or “B” before enrolling in [MUAP 310V](#).

3. Obtain a "C" or better in the following pre-education core courses: [CIED 3023](#), [CIED 3033](#). ([PSYC 2003](#) is a prerequisite.)
4. Obtain a "C" or better in [MUED 2012](#), [MUED 3021](#), [MUED 3833](#), [MUED 4112](#), and one of [MUED 4273](#), or [MUED 4283](#), or [MUED 4293](#).
5. Satisfactory completion of the Evaluation for Internship form. The evaluation form must be completed by October 1 prior to doing a fall internship or March 1 prior to doing a spring internship. The completed form must be returned to the Coordinator of Teacher Education, 8 Peabody Hall, no later than the stated deadline.
6. Complete the B.M. degree with a cumulative GPA of 2.50 or higher. The degree must be eligible to be posted to your University of Arkansas transcript at the Registrar's Office prior to internship.
7. Obtain departmental clearance for internship based on successful completion of portfolios, evaluation for internship, GPA requirements, course work requirements, selected written recommendations, an interview, and/or other requirements specified by your program.

All requirements in Stage I must be met to be cleared for the internship. Please contact the Coordinator of Teacher Education, 8 Peabody Hall, College of Education and Health Professions for more information.

Stage II: Internship

1. Complete the one-semester internship at an approved site in Washington or Benton counties.
2. Complete PRAXIS II requirements if planning to apply for Arkansas Licensure (recommended, but not required for degree completion). See your adviser for completion dates.

NOTE: Students should always consult the Coordinator of Teacher Education for any licensure requirement changes. Students will not be licensed to teach in Arkansas until they have met all requirements for licensure as set forth by the Arkansas Department of Education.

Usually licensure in another state is facilitated by acquiring a license in Arkansas. An application in another state must be made on the application form of that state, which can be obtained by request from the State Teacher Licensure office in the capital city. An official transcript should accompany the application. In many instances the applications are referred to the Coordinator of Teacher Education to verify program completion in teacher education.

Music B.M., with Elective Studies in Business

Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see the [Eight-Semester Degree Policy](#) for university requirements of the program, and should consult their music adviser for an eight-semester plan that is specific to their vocal, instrumental or theoretical emphasis area in music. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.
