HRWD 6343	Course Short Title	HRWD DISSERTATION SEMINAR	HRWD TECHNIQUES of RESEARCH
	Course Long Title	HRWD Dissertation Seminar	Principles and Techniques of Research in HRWD
	Course Prerequisite(s))	ESRM 5013, ESRM 6403, HRWD 6323, and HRWD 6333.	ESRM 5013 and ESRM 6403.
	Course Delivery Method	On campus	On campus
	Course Last Update Effective		Fall 2016
	Course Title/Description Change Type		Major Content Change
	Course Syllabus		HRWD 6343 Syllabus.doc
	Justification		The elements that focused on dissertation prospectus development were removed from the course; therefore, the name was changed from the Dissertation Seminar to Principles and Techniques of Research in HRWD to better reflect the course content. Faculty determined that prospectus development should be handled by the student's chair and dissertation committee. The emphasis in this course will be put on content that HRWD doctoral students tend to struggle with when designing a research study (purpose, research problem, questions, conceptual/theoretical frameworks, etc.) rather than the actual prospectus development.
