Description and justification of the request:	<p>We are proposing to delete the Transportation Policy concentration in the Public Policy Ph.D. program. This was one of the original concentrations in the program, and we no longer have commitments from faculty and courses for this concentration, nor has there been student interest.</p>
Program reviewer comments	<p><b>agriffin (07/01/16 11:14 am):</b> Changed academic unit to major/field of study.  <b>agriffin (07/01/16 11:34 am):</b> Corrected CIP code from "not found" to match CIP code for major. Also, revised LON - adjusted alignment, inserted approval dates, and renamed document to match naming convention for BOT documentation.  <b>agriffin (07/07/16 4:13 pm):</b> Changed "add" to "delete" in the action field of the academic block.  <b>ggunderm (07/11/16 1:08 pm):</b> Alice, we have had problems in the past with ADHE deleting entire programs when we are wanting to only delete a concentration within the program. We will need to verify that they correctly interpret this action.  <b>pkoski (08/22/16 1:28 pm):</b> I have added a new LON 5.  <b>agriffin (08/24/16 3:16 pm):</b> Uploaded revised LON with permission from Dean Koski.</p>
