### Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see the [Eight-Semester Degree Policy](#) for university requirements of the program, and should consult their music adviser for an eight-semester plan that is specific to their vocal, instrumental or theoretical emphasis area in music. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Questions regarding this program change proposal should be directed to Ronda Mains, Chair of the Department of Music, [rmains@uark.edu](mailto:rmains@uark.edu).

1.) Instead of specifically requiring MUTH 3603 18th Century Counterpoint and MUTH 4703 Writing Music Analysis, we will allow students to select two out of four of the following MUTH course options:

MUTH 3603 18th Century Counterpoint

MUTH 3623 Music Perception (newly proposed course)

MUTH 3723 Jazz Analysis (newly proposed course) or

MUTH 477V Special Topics in Music Theory

Description and justification of the request:

Justification: The change will allow students more choice in the theory curriculum that is most relevant and exciting to them. These changes reflect broader changes within the discipline of music theory, which has developed to embrace more diverse approaches. Gaining experience with these contemporary approaches will help prepare students for the twenty-first century world.

We hope it will also increase enthusiasm for music theory among the students, aid retention, and get them engaging more intellectually with the materials of music.

There are no changes in number of theory credits required.

2. Changes have been made to the 8-semester plan to reflect the changes stated above. The piano for majors sequence of courses has been shifted to place those courses in the proper terms to align with the stated catalog frequency listings. The 8-semester plan is also being modified to reflect the specifically required MUSY 2003 or WLIT 1113 in accordance with the currently proposed changes to the MUSCBM general requirements.
