Description and justification of the request:	Justification for music history, applied music, conducting, and ensemble changes: The proposed changes reflect a comprehensive teaching strategy centered around the study of conducting (the focus of the degree) with courses designed to support that focus. This would balance the degree offering, and accurately reflect in the degree program the amount of private conducting study the students require, and indeed, are already receiving.

Justification for theory changes: The proposed changes to the theory curriculum better reflect the current broad spectrum of music theory studies and research. The new option will give students the opportunity to embrace the theoretical approach most relevant to their educational path. We believe these options also will better engage students and aid in retention.

The following specific changes were made to the program requirements:
Section I – Changed required courses of MUTH 4703, MUTH 4612, & MUTH 5672, to require three credit hours from MUTH 477V, MUTH 5343, or MUTH 5643.
Section II – Changed three to four hours of 5000 level MUHS or MUSY courses to MUHS 5903.
Section III – Changed MUAP 510V to MUAP 5001 (two semesters of voice and two semesters of piano or organ for 4 hrs).
Section IV – Added MUAP 5201
Section V – Created an Ensemble section, requiring MUEN 5451 (4 hrs)
Section VI – Changed electives from 7-8 to 3 credit hours |

Program reviewer comments

ddraper (05/20/16 12:14 pm): Additional minor modifications made per request of the music department. Removed "and Composition from section I since there is no course work required in composition in that section. Also, removed "Ethnomusicology" from the heading of section II, since no ethnomusicology courses are required.

pkoski (05/21/16 11:19 am): Rollback: Please state what the changes are, under description and justification of change.

agriffin (06/23/16 10:18 am): Inserted program review date and the third paragraph to the description block.
