Description and justification of the request:

In recent years we have added service learning course options in education (SPAN 4563) and healthcare (SPAN 4583), and we wish to broaden the umbrella of the current Spanish (Business Orientation) minor to include other students interested in other professions. The name change will allow us to give students in education and those interested in healthcare, in addition to the Business Spanish students, the opportunity to validate their credentials with the newly named minor: Spanish for the Professions.

Curriculum changes:

Previously SPAN 4333 Business Spanish was required, but we wish to now allow students to choose between SPAN 4333 Business Spanish I, SPAN 4563 Latino Youth Biliteracy Service Learning Project, and SPAN 4583 Advanced Spanish for Health Professions.

Also, as with the proposed change to our other Spanish minor, we wish to give students an option between the currently required SPAN 3103 Cultural Readings and SPAN 3123 Spanish for Heritage Speakers II. Doing so will allow us to adapt the requirements for Spanish heritage speaking students, of which we have growing numbers. Span 3103 is really not appropriate for them, and SPAN 3123 provides a better option for these students.
