Description and justification of the request:

Changes are to add MUSY 2003 and WLIT as the specified humanities courses for the major. Because these requirements count towards humanities core credit, they should appear in bold, as is customary for Fulbright ARSC major requirements. Specifying these courses as part of the general Bachelor of Music requirements will make this parallel to the specified requirements for the BA in Music.

The 8-semester plan is adjusted accordingly.

Also, the 8-semester plan has been changed to correct the term sequencing for the Piano Class for Music Majors courses so that the frequencies match the term specified to be taken.

Program reviewer comments

ddraper (09/20/16 9:27 am): Modified the 8-semester plan to reflect the humanities modification and to correct the Piano Class for Music Majors terms.
