Please contact Dorothy Stephens, Chair of the Department of English, regarding any questions at dstephen@uark.edu or at 575-4301.

Description and justification of the request: WLIT 1123 is already required for the English B.A. and for the English and Journalism combined B.A. Both the Department of English and the Department of Journalism have long allowed students to substitute a WLIT course numbered 3000 or higher, or a literature course numbered 3000 or higher in the World Languages and Literatures Department, for the WLIT 1123 requirement when desired, but although this allowed substitution is in the portion of the catalog that describes the English and Journalism combined B.A., it never got put into the part of the catalog that describes the requirements for the English B.A. Any WLIT or world literature course at the 3000- or 4000-level is a more difficult, more in-depth version of what is taught in WLIT 1123, so no student can be hurt by our allowing that substitution, and many students may be motivated to take these more challenging courses if they meet the requirement.
